

# Scrubber/Sweeper/Vac

## Salla 350

The Salla 350 is the perfect floor cleaning solution for any large facility. With a unique multi-purpose design, the Salla can actually be transformed to operate as either a scrubber/dryer, sweeper or wet/dry vacuum. Being battery powered, the Salla 350 provides complete operating freedom from any electrical cables whilst still producing professional results.

### INCLUDES:

**Filter/Snorkle/Batteries**

### OPTIONAL:

**Wet Dry Industrial Kit**

- **Minimises water usage**
- **Cleans all hard floors**
- **Detachable vacuum**
- **All-in-one scrubber/sweeper/vacuum**
- **Faster and cleaner than mopping**

### Ideal for:
