

BR 40/10C

With the BR 40/10 we present the successor of the BR 400, the most economic machine in its class. This compact and powerful machine has a working width of 400 mm and a tank volume of 10 l. The Advance version is equipped with additional transport wheels and a brush contact pressure adjustment.

1 Powerful and fast

- Two high-speed rotating roller brushes with high contact pressure.
- Two suction lip strips soak up the water - either forwards or backwards.

2 Low ground clearance

- Reaches under furniture effortlessly.
- The push handle can be folded down in both directions.

3 Ease of servicing

- The suction lips and brushes are easy to replace without tools.
- Water distribution bar can simply be removed and cleaned as necessary.

4 Ergonomic handle

- For better operating comfort.
- With integrated control of water inflow and brush.
