

CV 48/2

A commercial, twin-engined upright vacuum cleaner with innovative, patented centrifugal clutch, 480 mm working width, stretch hose and telescopic tube to clean, comb and refresh the textile floors/ piles in hotels, boutiques, shops, showrooms, offices, stores, shopping centers and households.

1 Indicator light

- The indicator light shows when the roller brush needs to be adjusted to achieve optimum cleaning results.

3 Flexible cleaning option

- The stretchable suction hose can be removed easily, meaning that blockages can be removed quickly and effortlessly.

2 Highflex power cord

- The yellow Highflex cord is extremely tough, flexible and anti-twist. It can be securely attached to the machine.
