

## CV 66/2

The wide area brush-type vacuum cleaner CV 66/2 is particularly suitable for the thorough and economical maintenance cleaning of medium-sized carpet surfaces. Due to its dual counter rotating brush rolling system, swimming stored brush head and the height adjustable handle the unit is extremely convenient and ergonomic.

### 1 Easy filter replacement.

- The filter system is easily accessible for quick and easy replacement.

### 2 Contra-rotating roller brush system

- The innovative contra-rotating brushes clean deep into the fibres and raise the pile.
