

KM 70/20 C

Push sweeper driven via both wheels so that the unit sweeps equally well in left-hand and right-hand bends and also offers very good straight-line control. Moisture proof universal bristles for all surfaces. Fleece fine dust filter, robust plastic frame, easily adjustable main roller brush and retractable side brushes.

1 Main sweeper roller drive

- The main sweeper roller is driven by both wheels - for excellent results when turning to the left or right.
- Excellent ergonomics thanks to three height positions.

2 Adjustable push handle

- Ergonomic container handle for easy handling and emptying.
- Dust filter cleans the exhaust air and prevents dust development while sweeping.

3 Large dirt receptacle

4 Dust filter
