

## T 10/1 Adv

With the new T 10/1 Professional we enlarge our dry vacuum program with a machine made especially for the target group building service contractors. It includes a pluggable power cord (12 m), an antistatic bend, a power cord integration, an extra strong main filter for vacuuming without filter bag and a coloured plug.

### 1 Large, round permanent main filter of washable nylon

- Extremely strong and dense enough for vacuuming without a filter bag.

### 2 Service-friendly

- The cord can be replaced quickly and easily by loosening two screws.
