Compact *Ride-on* 8055

Commercial Cleaning Equipment
The Equipment Specialists

Not too big, not too small, good capacity, simple controls, excellent performance and very competitive in terms of price.

In truth the CRO8055G is competitive with most walk behinds of the same size.
So now you can sit rather than walk and by virtue of the exceptional manoeuvrability, substantial time will be saved on middle size applications.

The CRO8055G also introduces the logic of two machines in place of something much bigger or, to put it another way, Two for the Price of One with added versatility and convenience.

The CRO will go into places where bigger machines are not suitable and anything smaller is just too small.

- **Compact Design**
  Means easy cleaning in tight spaces.

- **Anti-tip System**
  Prevents the machine from tipping when cornering on full lock.

- **On-board Charging**
  Easy and convenient, just plug and go. Fully sealed low maintenance Gel batteries.

- **Flexifill System**
  Easy filling and emptying with the flexifill system.

- **Easy Operator Control**
  With fully adjustable speed control.

- **Safety Features**
  Emergency stop button, removable power off key, horn button and built in hazard warning light are just a few of the safety features included.

- **Easy Maintenance**
  Easy access to batteries and fuses for maintenance.

Compact *Ride-on* Twin Brush 8072

All the benefits of CRO compact design with added wide-track cleaning.

The CRO8072G brings all the features of the popular 8055 model with an additional 30% scrub width. The 2 x 370mm brush configuration provides an astonishing 720mm cleaning width on a ultra compact Ride-on. More cleaning… same user convenience.
