

Jetsteam Evo

Are you concerned about the harmful effects of cleaning chemicals?

Then you need a clean, green and versatile Jetsteam Evo!

The newly arrived Jetsteam Evo is an incredibly powerful steamer for its size. It has a very impressive 6 BAR steam pressure, combined with a hot water injection making it the smallest compact commercial steam cleaner on the market.

A versatile tool kit included as standard allows for easy cleaning of floors, walls, windows, kitchens, bathrooms, furniture, curtains and equipment.

Call for a no obligation demonstration.

Mono-phase steam generator with digital device, thermometer, pressure gauge, "CALC" advice for boiler cleaning

- **Effective**
 - ✓ Steam clean, degreases, sanitises, deodorises
- **Efficient**
