Specifications subject to change without notice

DURABILITY AND FLEXIBILITY

INDOOR ENVIRONMENTAL QUALITY

Effortlessly remove most types of dirt and scuff marks from a variety of floors, leaving a clean floor that attracts less dirt and is easier to clean.

PROVEN VERSATILITY

Using brushes or pads, and the recommended accessories, the versatile F3 is ideal for scrubbing, polishing, removing polish and intensive cleaning of industrial floors.

OPERATOR CONVENIENCE

Increase ease of operation with ergonomically designed and comfortable handle. Increase health and safety with low sound level and double safety switch to protect operators.
