Makita

WHEN POWER MEANS BUSINESS

When you choose Makita Outdoor Power Equipment, you choose to be part of something bigger. Our complete line up of cordless outdoor solutions will revolutionise the way you work - empowering you with over a century of knowledge and expertise in crafting the world's most reliable tools. With the support of the world's largest 18V cordless system, you can be sure our Power Garden range will get the job done and more - no petrol or cord needed.

Product Objectives

- Develop a cordless 18V Brushless blower to suit the needs of gardeners, maintenance staff, landscapers and the home user
- Design a powerful cordless blower that is lightweight and powerful enough to fulfil a variety of tasks
- DUB184 will replace DUB361

Product Specification Sheet

- **Cruise control with variable speed trigger** – allows you to set the desired air speed eliminating the need to continuously hold the trigger
- **Lightweight design** – weighing only 3kg the blower can comfortably be used for extended periods of time
- **Optimum grip to frame angle** – provides optimum nozzle to ground angle for efficient operation
- **18V Brushless Motor** – provides similar power to 18Vx2 unit with the convenience of only a single 18V battery
- **XPT** – provides increased resistance to moisture and dripping water for use in harsh outdoor environments

Max. air velocity	187km/h
Max. air volume	13m ³ /min
No load speed	18,000rpm
Overall length	825mm
Runtime (6.0Ah battery, highest speed)	12mins
Skin weight	2.5kg
Weight (with battery)	3.1kg
Voltage	18V

BOOK A FREE DEMONSTRATION +618 9249 8744

Ergonomics

Optimum grip to frame angle for comfortable operation

Convenience

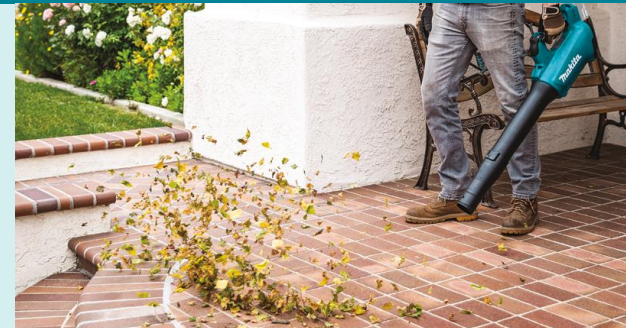

Cruise control feature allows desired air speed to be set

Lightweight

Only weighs 3kg with a battery

Performance

Max. air volume: 13 m³/min
Max. air speed: 187 km/h

Our Range
