HAND AND BODY WASH

Dermalux

HAND AND BODY WASH

Dermalux

For Everyday Use

Dermalux Hand and Body Wash is an ultra-mild pearlescent crème soap, ideal for people who require frequent hand washing or for washing of the whole body. Specifically designed as a nourishing soap, Dermalux for Everyday Use leaves skin feeling soft and refreshed. Dermalux for Everyday Use is gently foaming and delicately perfumed peach scent. pH balanced for added care.

Directions for use: Wet hands/body and apply Dermalux Hand & Body Wash. Massage the skin, rinse with water and dry.

HAND AND BODY WASH

Dermalux

Natural

Dermalux Natural Hand and Body Wash is specifically designed for sensitive and dry skin. It is an ultra-comforting pearlescent crème soap free from perfumes or dyes. It is designed as an all-round product suitable for frequent hand washing or washing of the whole body. Dermalux Natural Hand and body wash uses Tea Tree oil as a natural preservative. Skin neutral pH for added care. The rich moisturisers and emollients contained in Dermalux Natural hand and body wash leaves skin cleansed and nourished.

Directions for use: Lather soap generously over skin and rinse thoroughly with running water after use.

PACK Sizes AVAILABLE: 500mL, 5L (excludes Dermalux Natural) and 1L Pod for use in Manual and Infrared Dispensers.
