

EarthSmart™

It's easy to be EarthSmart™...

Simply use EarthSmart Refill-Reuse bottles to minimise waste and your ecological footprint.

 **Scientifically Proven**
to biodegrade as whole products

Multi-Purpose Detergent Technical Bulletin

Non-Hazardous according to SafeWork Australia criteria

EarthSmart Multi-Purpose Detergent is a readily biodegradable, non-hazardous dilutable detergent for use on floors, walls, bench tops, counter tops, sinks and other surfaces.

While EarthSmart Multi-Purpose Detergent is Scientifically Proven EarthSmart™ in its application - careful consideration has been given to all aspects of the product lifecycle to ensure that this product is environmentally preferable. 100% recyclable containers, packaging and marketing materials have been used and all products are proudly made in Australia reducing unnecessary carbon release from excessive transport and freight from overseas.

EarthSmart™ Multi-Purpose Cleaner is now available in convenient 1.2L and 5L Bottles.

Directions for use

Mop & Bucket: Dilute 10mL/L of water.

Spray & Wipe: Pour 25mL into 500mL Refill-Reuse Spray Bottle. Dilute with water. Spray solution directly onto surface and clean.

Refill... Reuse... Recycle... By using the Refill-Reuse bottles you are minimising waste and the resources consumed for the product's entire lifecycle. All bottles in the EarthSmart™ range can also be recycled. *Think... EarthSmart™*
