re fill use cycle

☑ Scientifically Proven
to biodegrade as whole products

It's easy to be EarthSmart™...

Simply use EarthSmart Refill-Reuse bottles to minimise waste and your ecological footprint.

Window & Glass Cleaner
Technical Bulletin

Non-Hazardous according to SafeWork Australia criteria

EarthSmart Window & Glass Cleaner is a readily biodegradable, non-hazardous, streak-free cleaner that removes dirt and soils from windows, glass, computer monitors and whiteboards. EarthSmart Window & Glass Cleaner is proud to have been independently tested as a whole product that is readily biodegradable according to Australian Standard AS4351.

While EarthSmart Window & Glass Cleaner is Scientifically Proven EarthSmart™ in its application - careful consideration has been given to all aspects of the product lifecycle to ensure that this product is environmentally preferable. 100% recyclable containers, packaging and marketing materials have been used and all products are proudly made in Australia reducing unnecessary carbon release from excessive transport and freight from overseas.

EarthSmart™ Window & Glass Cleaner is now available in convenient 1.2L and 5L Bottles.

Directions for use

Window & Glass Cleaner

Dilute 500ml/Litre for general use, fill EarthSmart Window & Glass Cleaner into the 500mL Refill-Reuse bottle. Use neat for heavy soiling.
For larger surface areas apply using a squeegee and a bucket.

Refill... Reuse... Recycle... By using the Refill-Reuse bottles you are minimising waste and the resources consumed for the product's entire lifecycle. All bottles in the EarthSmart™ range can also be recycled. *Think...* EarthSmart™
