TREBLE

MULTIPURPOSE CLEANER / SANITISER

BENEFITS:

- Food grade cleaner/sanitiser
- Glass & window cleaner
- Hard floor cleaner/degreaser
- Toilet & bathroom cleaner/sanitiser
- A single use product for the hospitality and contract cleaning industries
- Septic safe
- "Not Hazardous" when used at dilution according to Worksafe Australia criteria.

TREBLE is a Heavy Duty 3-in-1 Multipurpose Cleaner. A general purpose spray and wipe cleaner, degreaser and sanitiser in one. Cuts through grease and soil leaving surfaces sanitised and sparkling clean. Lime scented for freshness. Safe for use on most surfaces.

TREBLE is a fantastic 3-in-1 multipurpose cleaner specifically designed for use as a general purpose cleaner, degreaser and sanitiser. TREBLE is a water-soluble cleaner/degreaser that rapidly emulsifies, suspends and removes all types of animal, vegetable and petroleum oils. TREBLE is safe to use on most surfaces including vinyl, glass, stainless steel and ceramics.

TREBLE is a low foaming product containing a refreshing, pleasant lime fragrance. TREBLE is an ideal cleaning product to use in hospitality venues including commercial kitchens and food serving areas. TREBLE can also be used in bathrooms to clean tubs, sinks, and showers.

Using TREBLE will save valuable time and money as this product consolidates many other colour-coded products! Previously it may have taken 2, 3, or even 4 cleaning products to achieve the same result that TREBLE produces on its own!!

A cleaning chart with information on dilutions for each application is available, visit www.whiteley.com.au or contact marketing@whiteley.com.au

HEALTH AND SAFETY STATEMENT

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT

Whiteley Industrial manufactures products that comply with Australian and International environmental policies. Whiteley Industrial aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley Industrial products are supplied in 100% recyclable containers.

Whiteley Industrial and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
