

Citrus Gel

Powerful solvent spotter gel

Citrus Gel is a premium quality solvent gel using powerful citrus extracts to remove tough oily spots, tar, gum, bitumen and cosmetics. It's stable gel formula enables it to stay on the spot longer instead of running down to the base of the

carpet. Ideal for gums, putty, bitumen, tar and heavy grease deposits.

BENEFITS

- **Innovative Chemistry** – A highly effective, blend of citrus solvents and emulsifiers in the convenience of a gel.
- **High Performance** – Perfect for removing gum, bitumen, tar, crayon, lipstick and greasy spots.
- **Easy to Use** – Cream/gel consistency makes it easy to work with.
- **Low VOC** – Fresh Odour – Citrus Gel is excellent for low odour cleaning leaving behind a fresh citrus sent
- **Fibre surface** – formulated to work on the fibre surface avoiding problems to latex and bitumen backed carpets.
- **Free Rinsing** – Rinses out easily with hot water extraction.

DIRECTIONS for USE

Always pre-test in an inconspicuous location for substrate sensitivity to chemicals.

Application:

1. Squeeze Citrus Gel onto the spot.
2. Allow 5 minutes contact time while gently agitating.
3. Blot or scrape gently to remove excess.
4. Repeat process if necessary.
5. Wipe with a damp sponge of towel or extract with clean water.
6. Brush fabric to align fibres.

PRODUCT SPECIFICATIONS

Product code: AP486

pH: 7.0 RTU

Colour: White

Fragrance: Citrus

Packaging: 500ml & 5Lt
