

Spotaway U

Urine stain and odour neutraliser

Spotaway U is a unique spotting solution for high performance removal of urine stains and the associated odours. This formulation contains stabilized hydrogen peroxide for powerful urine crystal & stain removal. Use

Spotaway U where other treatments have failed. Some older, stubborn urine stains will only respond to the powerful Hydrogen Peroxide neutralization treatment.

BENEFITS

- **Stain Removal** – Spotaway U employs the power of Hydrogen Peroxide to neutralize the toughest urine and pet stains. It will also remove many colour stains such as wine and cordial.
- **Odour Removal** – The hydrogen peroxide in Spotaway U provides powerful oxidisation of bacteria and odour causing germs.
- **Non Residual** – Spotaway U leaves absolutely no residues behind and does not need to be rinsed.
- **Coloursafe** – Spotaway U is safe for use on colourfast fabrics and carpets.
- **Fibre Safe** – Spotaway U is safe for use on natural and synthetic fibres, however fine fabrics must be pre-tested for fibre and colour stability before use.

Note:

Spotaway U is sensitive to heat and light. Store out of direct sunlight and avoid storing it in your van for lengthy periods. Store the Spotaway U inside and only store a small bottle in the van. Replace this at least one per month.

DIRECTIONS for USE

Always pre-test in an inconspicuous location for substrate sensitivity to chemicals.

Application:

1. Remove by steam extraction as much of the urine spill as possible, doing extra dry vacuum strokes.
2. Apply Spotaway U undiluted onto the affected area.
3. Agitate solution using a carpet rake or upholstery cleaning brush.
4. Some stains will respond within 5 to 10 minutes whilst others may require 2 – 4 hours. Some stubborn urine stains may require repeat treatment.
5. No rinse needed. Apply it and leave it, Spotaway U will do the rest.

PRODUCT SPECIFICATIONS

Product code: AP493

pH: 1.0 - 2.0 RTU

Colour: Water white clear liquid

Fragrance: Odourless

Packaging: 500ml & 5Lt
