Bactol®

Alcohol Gel

Bactol® Alcohol Gel provides antibacterial hand cleansing without the need for water. It has been specially formulated with a natural emollient to maintain skin integrity and prevents moisture loss leaving your hands hygienic, soft and replenished.

Bactol® Alcohol Gel has been developed in compliance with EN1500 testing standard for alcohol based hand rubs. It is formulated with an alcohol concentration of 70% Ethanol v/v, as recommended by WHO for maximum efficacy.⁽¹⁾
