

# REJUVEN8

## One Step Floor Maintainer

Repair, Maintain & Enhance Your Hard Floor

Insist on **Whiteley Industrial** when ordering your hard floor care products

### Benefits:

- > Increases the durability of floor finishes
- > Enhances gloss levels
- > Effectively repairs scratches
- > Easy application

**Rejuven8** is a neutral multi-purpose cleaner & maintainer designed to enhance the appearance of worn floor finishes. **Rejuven8** is the next generation in hard floor maintenance.

**Rejuven8** increases the durability of floor finishes and enhances gloss levels. **Rejuven8** effectively repairs scratches and reduces the appearance of scuffing - black heel marks, grounded in dirt and surface scratches.
