

# **JET3**

**TARGETED SPRAY  
SCRUB TECHNOLOGY.**

On board chemical injection results in  
4x faster cleaning with the JET3.

## Spray On Demand

The low water, easy dose system with super concentrate chemicals means you never overuse or waste solution.

Solution is delivered through the high pressure pump directly to the scrubbing head, breaking down dirt and grime.

Image opposite shows JET3 Machine cleaning with the Red Stair Brush.
