

# Pullman PV900 Backpack Vacuum Cleaner

Achieve a high-powered clean and enjoy innovative user-comfort features with the Pullman PV900 Backpack. This model offers an alternative way to carry out commercial cleaning to make vacuuming more comfortable for the operator.

All the features have been included with the Pullman Backpack to create a super powerful vacuum boasting exceptional user experience. The backpack has been expertly designed to allow for comfortable wear over an extended period; it's adjustable to 3 different height settings to suit every stature and has in place a well-thought-out comfort system.

All these features make this machine ideal for Schools, Motels, Hotels, Offices, Restaurants and Cafes.
