

Auto Terminator Plus

POLIVAC

INTELLIGENT CLEANING TECHNOLOGIES.

Auto Terminator Plus is a carpet extraction machine that is diligently designed and incorporated with features to optimise resource utilisation and reduce downtime.

Equipped with an auto fill/ auto empty facility that helps to speed up cleaning of large and small areas. It is also furnished with a dirt collecting basket which collects larger particles and filters dirt water, hence makes it easier & faster for the cleaners to clean the conventional filter screens in the machine.
